## VET4START-UP AL VIA IL MULTIPLIER EVENT A POTENZA

8 NOVEMBRE 2016 GODESK 0 COMMENTI 188 VIEWS FORMAZIONE, INCUBAZIONE, NEWS, STARTUP

**VET4START-UP** Potenza una giornata interamente dedicata alle startup, organizzata con EURONET insieme a partner internazionali dove sarà presentata l'E- Learning Mocc Platform e una bella guida al Creative Problem Solving! Vi aspettiamo tutti sabato 12 novembre a partire dalle 9.00 @GODESK

L'obiettivo della giornata è discutere e far conoscere strumenti formativi per chiunque sia interessato alle startup e grazie alla piattaforma di e-learning MOOC (Massive Open Course online) e altri materiali e risorse utili e su misura. VET4Start-UP cercherà di migliorare il livello di competenze chiave e le capacità necessarie per nuovi imprenditori attraverso la formazione professionale e pedagogica.

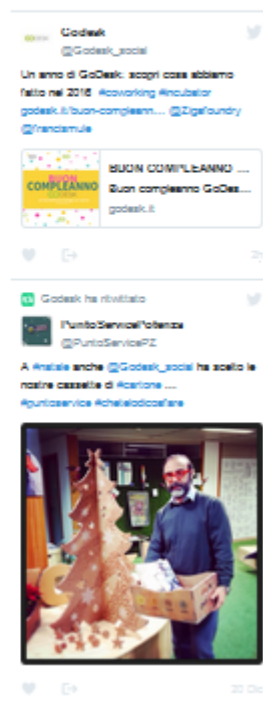

Durante la mattina si presenteranno i risultati del **SUMMERCHECKUP**, il percorso di incubazione per startup innovative di GODESK e si parlerà di incubazione, accelerazione e servizi per le imprese innovative con le startup e gli advisor del percorso. Sarà un momento di sintesi e confronto dove si incontreranno tutti i partecipanti del programma: **startup, advisors, organizzatori, investitori, partner del SUMMERCHECKUP**.

L'evento prevede inoltre la presentazione di una Guida e un seminario al Creative Problem Solving.

Tanta roba per startupper addicted | #autoimprenditorialità | #incubazione | #innovazione | #formazione
